Hi, I'm Jasmine!

Aspiring Front-End Web Developer with a passion for learning, an open mind when it comes to growing and learning, and skillful in any field of coding.

MY WORK

To the right is a website I coded using VS code. It is a fanpage dedicated to G-Eazy.

A Great West Coast Rapper: G-Eazy.

Rapper:G-Eazy
Gerald Gillum(G-Eazy) is a well known rapper from the Bay Area. He has rapped with names like YG, Blueface, and Blackbear. He started rapping in his teens and has since seen a rise to stardom with albums These Things Happen When It's Dark Out and Beautiful and Damned.

For more info on G-Eazy click here

My Favorite Songs:
1. No Limit
2. Still Be Friends
3. Him & I
